

OHIO BOARD OF PSYCHOLOGY
RETREAT AGENDA
TENTATIVE TOPICS 2017

Strategic Plan Review and Updates

Jurisprudence (oral) examination processes and options

School Psychology Examination Committee Diminished Role and Increased HR Costs

Supervision rules reorganization

Rule amendments to make “old law” and “new law” training supervision requirements consistent

Licensure law options and training inconsistencies in rules

Current status of requirements and 2-teired system

Old Law vs. New Law and training intensity that was to be phased in

-Non-accredited program grads need less supervision than accredited grads

Rule changes to make parallel

The IME process and standards for evaluations

(Consolidation transition preparations)

Oral exams

Investigations

Entrance examiner judgments/decisions

Customer service/rule application consultations with Ron
