

## FREE 1-HOUR CE IN ETHICS

The State Board of Psychology is pleased to announce that it will grant a free 1-hour CE credit in ethics to license holders who complete an online human trafficking awareness course. The governor's Ohio Human Trafficking Task Force has produced a CE video and quiz for licensees of Ohio's boards and commissions. This is a 50-minute video that features information about the signs and indicators of human trafficking and who is impacted in Ohio, interviews with responders and survivors, and information about how you can help make a difference. The decision to award an ethics credit was made in an effort to support the goal of increasing our license holders' awareness about human trafficking in Ohio.

Please note the following:

- 1) For a free hour of ethics CE, click on the link <http://humantrafficking.ohio.gov> and then click the first yellow button on the left that says "Human Trafficking Training-earn 1.0 CE Hour of Training"
- 2) When prompted, enter your license number so that it appears on your certificate of completion that must be submitted by you to OPA-MCE or OSPA-MCE.
- 3) Note that the video cannot be paused. You can launch the video without doing Step 1, which just displays a PDF of federal and state laws.
- 4) The quiz has some detailed questions so pay attention. I watched the video very carefully and scored 12/15. I don't know what happens if too many items are missed.
- 5) Near the end of the video, viewers are encouraged to consult their board's "protocol" or "policy" on how to handle suspected cases of human trafficking. For guidance, please use the resources shared in the video (toll free number to call), and you can review the law mandating suspected abuse or neglect of a child as warranted <http://codes.ohio.gov/orc/2151.421>. You should also consult with an attorney and/or your malpractice carrier if questions arise related to the potential disclosure of confidential information.
- 6) OPA-MCE and OSPA-MCE have been notified about the one hour of ethics CE credit to be offered for license renewal, but they will need the certificate you will receive by email from "HumanTrafficking@das.ohio.gov" upon completion. Your completion of the course will not be recorded unless you submit your certificate of completion to OPA or OSPA in compliance with their procedures.

Thank you and we hope you take advantage of this opportunity.
