

DOING BUSINESS WITH THE STATE BOARD OF PSYCHOLOGY

The State Board of Psychology employs a small staff who make use of fairly traditional office supplies and equipment. The Board has a limited budget for supplies and equipment and seeks fair pricing and excellent service from all vendors. The Board is a supporter of the Minority Business Enterprise (MBE) and EDGE Programs and provides business to certified vendors who can give a competitive services and products at a competitive price.

The primary needs of the Board's staff are:

- Office supplies
- Personal computers, software, printers, and fax machines (on an infrequent basis)
- Office furniture
- Court reporting and transcribing
- Travel reservations

If you would like to advise the Board of a product of service consistent with our needs, please contact Carla Daniels, Executive Assistant, at (614) 466-1052. We would be pleased to hear from MBE and EDGE certified vendors.

Thank you for considering business with the State Board of Psychology!

Sincerely,

Ronald R. Ross, Ph.D., CPM
Executive Director
